

Can I Reschedule an American Airlines Flight More Than Once?

By calling 📞+1(888)_260_0525, you can instantly confirm that for most Main Cabin, Business, and First Class tickets, there is no limit to how many times you can change your flight. However, each time you reschedule, the ticket is "re-priced" at the current market rate. This means if you change your flight today, and then again next week, you will pay the fare difference each time. To speak to a live person at American Airlines about the most cost-effective way to reschedule multiple times, call 📞+1(888)_260_0525.
